

## MALAWI LEADERSHIP TRAINING: FEBRUARY 23-25, 2011

Eighty Six pastors, some from Mozambique, gathered at Ngabu, Chikwawa, Malawi for teaching and training in God's Word. Pastors Fredrick and Petro started on Tuesday evening and taught on Leadership, Administration, Financial resource management and Ministerial ethics. The Kingdom of God; Covenant Relationships; Power to prevail, was some of the teachings that were taught. Praise God for His power that works mightily in the lives of these men of God. It was tremendous to see how they receive the truth of the Word of God. All of these pastors gathered once a month to be trained in God's Word. PRAY for Pastor Fredrick and his leaders who are doing the teaching.

### CDL, MAPUTO, MOZAMBIQUE: LEADERSHIP TRAINING FEBRUARY 21-25, 2011

Elaine & Rina facilitate the Bright Star Program Modules to seven staff members of CDL (Center of Leadership Development), and three pastor and leaders Goncalves, Leo and Elio. This was a great time of learning and applying, as most of them testified that "transformation" took place and that they are already applying these principles to their lives. We are excited to see how they are empowered to influence their city and transform their nation.

## MINISTRY REPORT: JANUARY – FEBRUARY 2011

**Equipping a New Generation of Leaders!**  
*Influencing cities and transforming nations....*

### LEADERSHIP TRAINING – JANUARY 17-21, 2011

Thirteen leaders completed Bright Star Module 2: Relationships, during morning sessions. Leadership Style, Conflict Resolution, Communication, Emotional mastery and Assertiveness made out the teaching. The pastors came from Malawi, Zimbabwe and South Africa. A follow-up training session will be in October 2011 to do Bright Star Module 3 on Brilliant Leadership skills

On Thursday we had an open day and several local pastors of the area attended the teaching sessions. The leaders were built up in their faith and challenged by the Governing principles for accurate building, to influence the Cities and impact the Nations, and to Develop and Train people in Kingdom principles and Lifestyles .

*"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all things that I have commanded you"*

*Matthew 28:19-20"*

## God is raising up New Generation Sons in Mozambique

Elio, Leo and Goncalves, visited us at El Shaddai for a week in January. It was a great week of study, learning and insight during 4 sessions per day. Part of the discipleship training they received was to work through the teachings sessions of Youth Training Conference of Dr Jonothan David of Malaysia. They also attended the Bright Star Program in Maputo during February. Pray that God will use them greatly to influence their city and impact the nation. ***PRAYER requests: Pray with us that God will provide short-term mission team and resources to help us with the construction of a place of worship for pastor Goncalves's church in the outskirts of the city.***

## EL SHADDAI CONSTRUCTION UPDATE

We are so thankful to have this facility to be used for the equipping of God's people. Since January the following were accomplished:

- Building plans to municipality for 20 rooms – wait approval soon
- Doing preparations for septic tank for the 20 rooms
- Renovate two-bedroom house which will be rented to generate income
- Construct a safari tent that will sleep 16 people during conference and training sessions

Two leadership training conferences already took place since January and the next leadership training will be in May 2011. ***PRAY for the needed resources for the completion of the training facility.***

### LEADERSHIP DEVELOPMENT (CDL) MAPUTO, MOZAMBIQUE

Hennie preached the official opening for 2011's classes at this training facility on February 12<sup>th</sup>. Block C of the building is almost completed and classes will be starting there this year. ***PRAY for pastor Isaias and the vision to be fulfilled for God's glory. Pray for the needed resources to finish the construction of this training facility in Maputo, Mozambique***
