Equipping a New Generation of Leaders

“Executing Kingdom Mandate - Discipling the Nations –”

LEADERSHIP TRAINING – Ngabu, Malawi - July 17-29, 2011

Intensive leadership training was done the first week with ten of the key leaders of the church. Fifty pastors, their wives and forty youth leaders attended the Leadership / Discipleship training that were done the following week. Five sessions were held daily through which tremendous challenge came for personal transformation and to submit oneself and corporately under the government of God. It was a time of fresh commissioning and commitment to the mandate of Discipling the Nations, to reach every nation, influence every domain and impact every structure of society for the Kingdom of God. We experience God’s power in a great way and we believe that the Word of God that went out will brought forth a great harvest which will affect the destiny of nations. This networking has started and we see more training that will take place in future from strong bases in Southern, Central and Northern Malawi. Pastors from Mozambique also attended the training (some ride four days on their bicycles to attend the training).

This is our mandate – Receiving and Embracing the Kingdom Mandate - to reach every nation, influence every domain and impact every structure of society for the Kingdom of God.

“Time is short, Life is precious, no time to play religious games with destiny of nations!”

NGABU, Malawi

LEADERSHIP & DISCIPLESHIP

TRAINING (17-29 July 2011)

- We travelled four days by road from Polokwane to Ngabu, Southern Malawi. In Maputo, Mozambique we met our co-workers in Christ (Leo, Goncalves, Elio) who assisted on the road and with ministry in Malawi.
- Crossing the mighty Zambezi River at Tete, Mozambique. The land cruiser ran without any problems except for shortage of diesel that we experienced in the country.
- We were a total of 25 team members and were represented from South Africa, Mozambique, Malawi, Kenya, Lesotho, India and Malaysia. Oliver & Ellen McDonald and pastor Clovis Barnett lead the team from Grace Fellowship and Hope Fellowship.
- Praise the Lord for 2,000 Chechewa Bibles that were distributed to the congregations of Pastors Fredrick Chimbe (Chikwawa) and Francis Nkoma (MonkeyBay).
- There is a tremendous hunger and thirst for the Word of God in Malawi due to lack of discipleship. Many recommitted their lives to Christ, after hearing and receiving the Word of Truth.
- Transformation took place that will stand for eternity. 50 Key leaders / pastors, pastor's wives, and 40 youth leaders who attended the training sessions every day.
- Five leadership / discipleship sessions to men, women, youth, two sessions every day to children and to and general women's group.
- Pray for pastors and churches in Malawi and Mozambique, that they will continue to grow in faith and grace. Pray that the seed that was sown will produce hundred fold fruit for the advancement of the Kingdom of God.
- Pray that the Lord will give them understanding in all things (2Tim2:7); Pray that the Lord will give them the spirit of wisdom and revelation (Eph 1:17); They will then be able to know what is the hope of their calling (Eph 1:18)
