**MINISTRY REPORT: MARCH – APRIL 2011**

**VISIT TO CHURCHES IN THE USA: March 3 to April 17, 2011**

It was a tremendous time of encouragement, inspiration and motivation. I am so thankful for every opportunity God has opened for me to speak about the truth, and **“I used every opportunity to advance the gospel” (Phil.1:12)** I thank the Lord that we can be part of the Global network of the Body of Christ, sharing the common goal of reaching the unreached world with the Gospel of Jesus Christ. We thank the Lord who connected us in covenant partnership through which we are able to fulfill our destiny in God’s master plan for the world.

We appreciate your commitment and support towards our ministry. Be assured that you are part of our labors in the ripe harvest fields of Africa. Now is Africa’s time, and people everywhere are waiting to receive the Word of Truth to be transformed from darkness to light, and leaders eagerly wanted to transfer what they have to their people.

Together in Him

## EL SHADDAI CONSTRUCTION UPDATE

We are so thankful to have this facility to be used for the equipping of God's people. During the past two months the following were accomplished:

- Submission of Building plans to municipality for 20 rooms – we are still waiting for approval because they needed a traffic assessment and storm water site plan. The engineers will be submitting that soon.
- Digging of the holes for the septic tank which will consist of three chambers and will serve the twenty rooms.
- Renovation of the two-bedroom house were completed. Our son Hennie jr. is renting this which added to rent income
- Oliver & Ellen visited us at El Shaddai during March . Skosh & Marlene arrived back a week ago to assist us with the work at El Shaddai. We thank the Lord for their help and every involvement in the development of this training facility.
- The safari tent is completed and will be used to accommodate 16 pastors who will be attending the School of Preaching next week at El Shaddai.

The next training session will be the first week of August, teaching special sewing techniques. Ladies in Ngabu, Malawi are doing well with their two sewing machines .
